VISUAL to effect compliance with any changes.

11.2 United States Governmental Licensing

VISUAL represents and warrants that the Software or portions
thereof have been developed by VISUAL or licensed to VISUAL
by third parties and are original and have been developed solely
by employees or consultants of VISUAL, or by third parties, at
private expense and not under a governmental contract. VISUAL
agrees further that it will not employ public funds in the
development of the Software or any modifications,
enhancements or versions thereof which may result in a grant
to any governmental entity of any ownership, license rights or
security interest in or to the Software.

The Software is a “commercial item,” as that term is defined at
48 C.F.R. 2.101, and more specifically “commercial computer
software” and “commercial computer software documentation,”
as such terms are used in 48 C.F.R. 12.212. Software which VISUAL or its distributors distribute to or on
behalf of the United States government, its agencies and/or
instrumentalities (the "Government"), are, and shall be
identified as, each a “commercial item”, and more specifically
“commercial computer software” and “commercial computer
software documentation,” and any use, duplication, or
 disclosure of the Software for, on behalf of or by the
Government is subject to restrictions as set forth in this
Agreement and as provided in DFARS 227.7202-1(a) and
227.7202-3(a) (1995), DFARS 252.227-7013(c)(1)(ii) (OCT 1988),

as applicable.

12. Other terms

Licensee is granted a non-transferable and non-sub licensable
license to use the Software and display its rendered content
solely on Licensee’s own websites. Licensee is strictly prohibited
from sub-licensing, assigning, or otherwise transferring this
license or the Software to any third party.

Licensee acknowledges and agrees that it is solely responsible
for preventing the embedding or inclusion of the Software or its
rendered content on any other websites, except as expressly
permitted under this Agreement. Any attempt to sub-license,
assign, or transfer any rights, duties, or obligations under this
Agreement, or any failure to disable the embedding or inclusion
of the Software or its rendered content, is expressly prohibited
and will result in the termination of this Agreement.

To clarify, disabling embedding or inclusion can be achieved by
employing techniques such as implementing a content security
policy, specifically the ‘frame-ancestors’ directive, which
restricts the framing of the Software or its rendered content on
external websites.”

VISUAL has no obligation to provide You with any service
(including but not limited to, technical support, maintenance,
upgrades, modifications, or new releases) under this
Agreement, except the Limited Warranty. The purchase of
services, if applicable, shall be governed by separate
agreements.

By continuing the setup procedure, Licensee acknowledges that
Licensee has read this Agreement, understands it, and agrees to
be bound by its terms and conditions. Licensee further agrees
that this is the complete and exclusive statement of the
Agreement between Licensee and VISUAL, which supersedes
any proposal or prior agreement, whether oral or written, and
any other communications between Licensee and VISUAL
relating to the subject matter of this Agreement. If any
provision of this Agreement is held to be unenforceable for any
reason, such provision shall be reformed only to the extent
necessary to make it enforceable and the remaining provisions
of this Agreement shall not be affected.

This Agreement and all matters arising out of or in connection
with this Agreement shall be interpreted, construed and
governed exclusively in accordance with the laws of Finland.
The United Nations Convention for the International Sale of
Goods shall not apply. Any dispute, controversy or claim arising
out of or relating to this Agreement or the breach, termination or validity thereof shall be finally settled at VISUAL's discretion (i) at Your domicile's competent courts; or (ii) by arbitration in accordance with the Arbitration Rules of International Chamber of Commerce. The arbitration shall be conducted in Helsinki, Finland, in the English language. The award shall be final and binding on the Parties.
